Preserving the Past, Enjoying the Present, Building the Future.

A Note From The President:

Fall is here and I am so excited about the events we have planned for you. Here is a quick look at the next few months' activities:

Luncheon & Lecture Series – held the second Thursday of each month.

The 34th annual Autumn with Topsail – October 20-22.

Ghost Walk of Pender's Past – October 28th.

Topsail Beach Top Secret Hike – November 4th

The 17th Annual Jingle Bell Ball – December 2nd.

None of these would happen without the hard work and dedication of our volunteers.

Thank you each and every one. We appreciate you!

Please Come out and join us. You will learn a little, eat a bit, have fun, and make new friends.

Regards, Cindy

Luncheon and Lecture News

Fusion Blue Zones Cuisine has signed on to cater our lunches!
Vicki Wiggins, has some dynamic and interesting speakers lined up for this season!

September through May--*Mark your calendars for the 2nd Thursday of each month!*

12 October: Kimberly Kenyon, Queen Anne's Revenge Project

9 November: Bill Caudill, The Highland Scots of North Carolina

14 December: John Moseley, Women Airforce Service Pilots

Shout out to Steve and Dmitriy Spera--They came out on a hot August day and turned over the fossil pit; making it easier for amateur Paleontologists to spend a few hours sifting through our fossiliferous pit. You too may discover the remains of ancient sharks, whales, bony fish, and coral just to name a few. The fossil materials are donated by Nutrien Phosphate from their mine in Aurora North Carolina. Come out and sift for yourself -- take home a piece of the past!
The fossil dig is open from dawn to dusk behind the Talos missile at the Museum.
